

PRIME-SCE JOINT RATE COMPARISONS

As part of our mutual commitment to better serve customers, Pico Rivera Innovative Municipal Energy (PRIME) and Southern California Edison (SCE) have come together to provide a comparison of common rates and average monthly charges. Below you will find a representative comparison of our rates, average monthly bills, and power generation portfolio content based on customer class.

To find your specific electric rate, please scroll down. this information can be found on the detailed page of your bill directly beneath the heading that reads “Details of your new charges.”

If you have further questions, please contact Pico Rivera Innovative Municipal Energy at PRIMEcustomerservice@pico-rivera.org or (800) GO-PRIME, and SCE at sce.com/cca or (800) 974-2356.

Definitions

Generation Rate reflects the cost of producing or purchasing electricity to power your home. This rate will vary depending on your service provider and rate plan.

SCE Delivery Rate is a charge assessed by SCE to deliver electricity to your home. This rate depends on usage.

Surcharges represent the Cost Responsibility Surcharge (CRS) and Franchise Fee (FF) that are applicable to Community Choice Aggregation (CCA) customers. The CRS recovers costs of power purchase commitments that become stranded as a result of CCA initiating service. The FF recovers taxes owed to a city in exchange for allowing SCE to utilize electrical distribution lines throughout the property of the city. SCE acts as the collection agency for the FF surcharge which is levied by cities and counties for all customers.

This comparison is based on billed usage from January 1, 2024 to December 31, 2024 for all applicable SCE Schedule D (non-CARE) service accounts within the jurisdiction of the City of Pico Rivera, PRIME's published rates as of September 1, 2023, and SCE's published rates as of March 1, 2025.
